

# NIEGRA Electronic Press Kit

Updated Sep 27, 2025

## About

Niegra is a vocal trance project that blurs the line between memory and infinity. No interviews. No origin story. Just fragments of sound, hypnotic, cinematic, and mysterious. Every track feels alive, yet impossible to pin down.

## Style and Genre

Vocal trance and electronic. Ethereal vocals and hypnotic builds with analog textures. Themes of non duality, energy, memory, timelessness.

## Visual Identity

Minimal, abstract, cinematic. Soft ethereal tones with a sense of infinity. Press photos and cover artwork available below.
